

Manchester Weed & Seed Strategy

VISION STATEMENT (Developed by Residents):

The City of Manchester is our community which has clean, safe and crime-free neighborhoods for all by encouraging mutual respect and consideration for others, promoting educational attainment and fostering opportunities for community engagement.

MISSION STATEMENT (Developed by Strategy Partners):

The Manchester, NH Weed & Seed Strategy aspires to work as a sustainable collaboration composed of residents, community organizations, government and the private sector to achieve a unified, resident-driven vision for Manchester. The goal will be to develop constant and evolving responses to community needs through programs and change efforts that support the making of safer, stronger neighborhoods which embrace our diversity.
